

T•Talk

The Delaware Valley Classic MG Chapter

October – December, 2003

T-Talk is the newsletter of the Delaware Valley Classic MG Chapter and is published four times a year. Those interested in the preservation and enjoyment of MG automobiles are invited to join. Full membership requires affiliation with the appropriate Register, NEMGTR, NAMGAR or NAMGBR. Chapter dues are \$20 per year and application may be made to the Membership Chair, whose phone number is on the back.

Well the rain went away but not without a fight. We only had two rain-free weekends from Memorial Day through Labor Day. For most of us that did not leave much time to drive, however if you are an enthusiast you'll go out in just about any weather, as you will read about the Summer events that went on.

DVC'ers golfed, rallye'd, swam, honored the New Hope car show, toured New England, and while at the Wildwoods, survived Hurricane Isabel. These events are just to name a few as many DVC members also belong to the national registers and also went to Gatherings for them as well. The weather may slow things down but it will never put a damper on anything that a DVC'er puts their mind to.

As summer comes to an end we have many fall and winter events coming up. The rallye's promise us beautiful fall foliage views, a bonfire that seems to be bigger and bigger each year with Guy coming back for more. The annual membership meeting, where you can volunteer to host an event. (As you can see we are a very active club and will do, most anything), so put the thinking cap on, let the creative juices flow and come to volunteer. We are also looking for someone to head the advertising for the club as well. The last event for the year is our Holiday Banquet and Raffle. It's one of the

few times "everyone" is dressed to the nines without the grease under the nails and oil stains on the shirts. You won't hear a spouse saying "I asked you to wear your other shirt, not the good one now look what you did to the front of it, I will never get that out." However the stories will flow, especially while the raffle ticket selling is going on.

I look forward to seeing everyone in the coming months. Head up, top down, safe driving, and if the weather turns cold, wear a hat but never let them see you put the top up unless it's a down pour.

Betsy

October, November, December Calendar 2003

Sat. Oct. 4	Hornsby Rallye (retry) - Nolan
Sat. Oct. 25	Badda Bing Badda Bob Tour Tiley
Sat. Nov. 1	Guy Fawkes Night - Goelz
Sun. Nov. 16	Annual Membership Meeting Bernert
Sat. Dec. 6	Holiday Banquet - Alicea

Please check the next newsletter which will be mailed out the end of December for the 2004 events.

Safety Fast

DVC Invades Limerick – Lew Phillips

"Keep your eye on the ball." That is what the golf pro will tell you. But after the wettest spring that we can remember, it was a good idea to keep one eye on the ball and the other on the clouds!

Just over a week after celebrating our independence from England, the Brits invaded Walz's Golf Farm in Limerick, PA for Family Golf Day 2003. On July 12th, two dozen DVC'ers and family headed out hoping that the beautiful morning would bring fair weather to the fairways-and it didn't disappoint us!

Bringing the entire family along to an event often requires a little more room than the standard two seats that MGs have to offer, making the family car or mini-van the transportation of choice. With six classics in attendance, the MG line was remarkably well represented-two TD's, an A, a Midget, a B, and a wish I was an MG' Porsche© were prominently parked in the grass by the entrance.

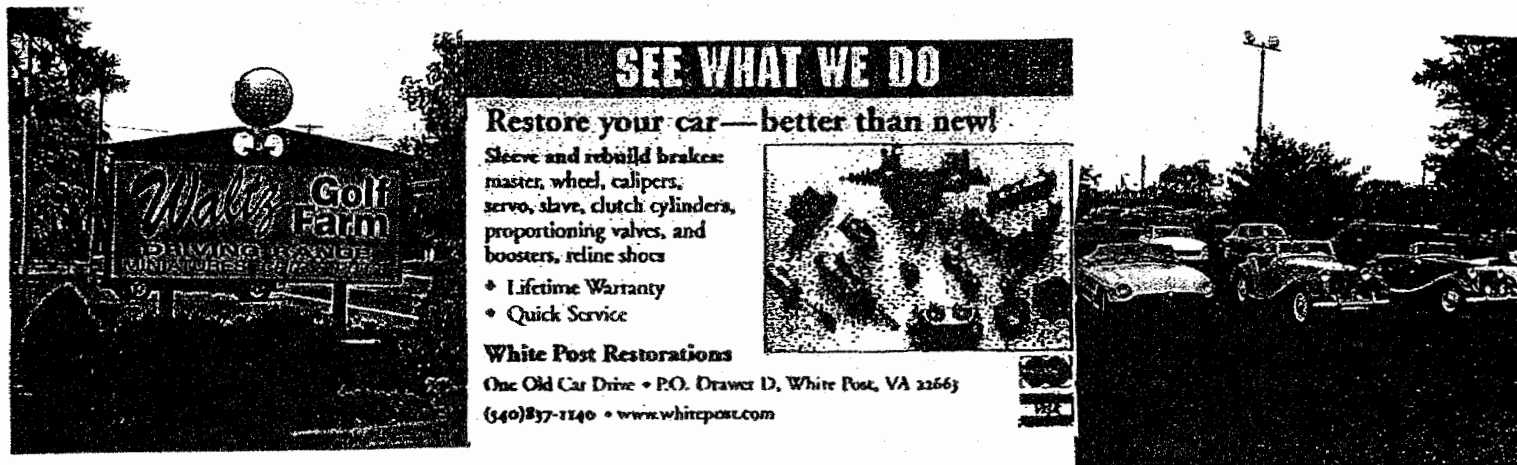

With the sun shining above, we gathered in the clubhouse and planned the attack. Clubs and projectiles in hand, we split up and headed out to tackle the courses. Some headed off for the original miniature course, the Farm, while others went for the equally challenging Castle course. Still others opted to take on the 9-hole Chip and Putt course and a few soles took aim at the driving range.

As the day wore on, the battle cries could be heard near and far..."Look out! Uh...FORE! "Is that a gimme?" "Can I have another Mulligan?" "No, high score doesn't mean you win." "Dear, we're playing this green, not that on." And the ever popular, "I hit the ball pick-up tractor!"

Finally, with score cards in hand, we retreated to the picnic area. Rations of hot dogs, hamburgers and soda (and the occasional ice cream cone) were happily consumed as we exchanged war stories.

After recovering from the day's events, Earl Wanklin invited the weary troops to his nearby home for some well earned R & R. Thanks, Earl.

For those who took part in the assault, job well done! For those who missed it, don't fret, another Brit Invasion is already scheduled for next year! Check your January-March 2004 DVC Newsletter for the date.

1924

Mother nature smiled upon us on July 26th and we had a bright sunny day for our tour of the American Helicopter Museum, QVC shopping, and the Pool Party at the O'Brien's. The first stop was to QVC Studio Park where our most ardent shoppers disembarked to shop their hearts out. The remainder of the DVC group went on to He American Helicopter Museum. We enjoyed a freelance tour of the Museum and the interactive displays, some of which were one of a kind and the first of their type in the history and production of the helicopter. When we finished at the Museum, we motored back to QVC and did some shopping. After finishing up at QVC, we all toured together over to the O'Briens for an afternoon of sun, fun, good food and, of course, liquid refreshment.

We had a good turnout and the following members were present: Earl Wanklin, Tom and Jamie Rippert, Bob and Terri Tiley, Dick and Sandy Suffredini, Roy and Sue Dougherty, Bob and Kim Dougherty, Mike and Jo Williams and kids, Barry and Eleanor Williams, Louise Story, Walt King and Donna Bristo, and Jim, Marie and Jenn O'Brien. As the sun set and the temperature cooled down, the DVC rode home from another successful day at the MG Pool Party. Thanks to all who made it possible with the preparation, the attendance, and the great food and good company.

DVC ON THE LAWN
OR
THE NEW HOPE AUTO SHOW THAT WASN'T

As everyone knows, the New Hope Auto Show is one of the Oldest and most prestigious car shows in the State, it has run continuously since 1957. This year was to have been the 46th year for the show; however, in April the shows board of directors was notified that there was to be construction on the grounds of the New Hope school where the show is held. With heavy heart the board made the decision to cancel this years show.

Since the DVC schedules it's calendar of events in November and we always slot the second Saturday of August for the car show and post party, we found ourselves with a post New Hope party but this year no "New Hope"! In true spirit of the DVC we arranged our own show on the Lawn complete with cars, judges, trophies and good times for all. This year's show took place on August 9th and was well received by many DVC'ers. The weather.....well it rained, poured, then rained some more but it never dampened the spirits of any of the participants.

I believe that there were no "no shows" for this event. In attendance were Donna Bristol, and Walt King in Donna's jeep. Bob and Kin Dougherty who started out in their TD but had to return home for dry clothes and their MGB, This writer and wife Roy & Sue Dougherty who had all of our cars displayed in the Garage, Richard, and Anne Heberkern in their freshly restored TF, Mike Maloney, Lisa, Connor, Sean, and Trophy girl Madison in the family Pontiac, Lee and Liz Niner in a rice burner, Ben and Cindy Nolan MGTD, Tom and Jaimee Rippert MGB, Don Short & friend MGTF, Dick and Sandy Suffredini MGTD, Bob and Terri Tiley MGTD and MGB, Bob and Joanne Tiley who started out in their Malibu convertible but had to change to family car because of the liquid sunshine, Bob Wagner MGA coupe, and Earl Wanklin Station Wagon. Everyone received a trophy just for showing up but we had some very happy winners in some special classes. These first places were taken by The Nolans in their TD, Heberkerns in their TF, and Terri Tiley in her MGB, congratulations to everyone who showed up and to all of you that didn't, there's always next year, *Safety Fast!*

TRIATHLON V
AUGUST 21 THRU AUGUST 24 2003

We gathered early Thursday morning at the Homestead Country Store in Upper Black Eddy, PA for the trek to Stratton Mountain and Triathlon V.

Our route took us through upstate New Jersey on not very well marked but scenic route 513. After we made it around New York City, we traveled up the western side of the Hudson River. After crossing the river at Catskill, the roads became what you would expect of New England roads.

We arrived at the Red Lion Inn in Stockbridge Mass. in the afternoon, in time for a refreshing beverage and dip in the pool. Dinner in the courtyard and staying at the Red Lion Inn felt like being in a Norman Rockwell painting.

Friday morning, after a leisurely breakfast and stroll through Stockbridge, it was on the road again toward Vermont. These roads were great! Mountains, valleys, lakes, rivers, small towns, perfect MG roads.

Upon our arrival at the Stratton Mountain Inn, we got reacquainted with old friends, hit the registration table and off to the pool again for the DVC dip and beverage. After a welcome buffet, we found an empty room at the end of our hall, complete with bar, fireplace and plenty of chairs for the DVC pub.

Saturday morning brought the Triathlon competition.

Stage One, was a typical Fox and Hound rallye, where direction markers are placed along the route by a devious rallyemaster and questions are thrown in for additional points.

Stage Two was a mountain climb up Stratton Mountain and conducted as a modified poker run for scoring.

Before Stage Three, the car show, we enjoyed an old fashioned BBQ on the rear lawn, with some of the best chicken and ribs we've had in a long time.

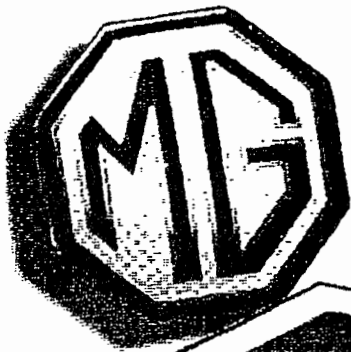

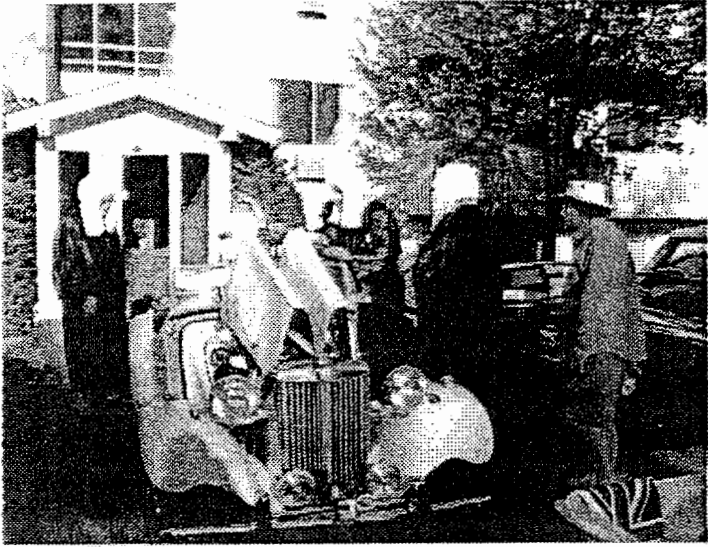

The unwashed car show in the front parking lot, was judged by three ex Olde Bailey Magistrates, dressed in black robes and white wigs, and were not above taking bribes. There were the various British Ales and monetary bribes with the money going to The Cancer Society. In addition there was the Margarita Garage bribe complete with battery powered blender and taco warmer. The girl dressed in a negligee in the back seat of a 2 + 2 Morgan bribe. And then there was the whipped cream on a girl's chest bribe.....say no more!

The DVC had a great showing at the awards banquet. Bob and Lorraine Jay, MGB, took the Early Bird (first registered) Award. Jeff and Jan Zorn, Mini, took the Distance award, driving from Michigan in their Mini. For the Triathlon competition, Honorable Mentions went to the teams of Bob and Terri Tiley, MGTD, and Chuck and Judy Goelz, MGA. Bob and Kim Dougherty, MGTD, were proclaimed the "Grand Champions", and get to wear the dumb cone hats until next Triathlon.

Sunday morning, after an early breakfast, it was a 60 MPH run for home down the scenic Taconic State parkway

In addition to those mentioned above, the following competed for Team DVC: Jim & Ruth Bottomley, MGA; Roy & Sue Dougherty, MGTD; Tim & Terri McCarthy, MGTD; Lee & Liz Niner, MGA; Ben & Cindy Nolan, MGTD; Tom & Jaimee Rippert,

MGTD; Jeff & Robin Rose, MGB; Mark & Jan Scherbekow, MGB; Dick & Sandy Suffredini, MGTD; Barre & Eleanor Williams, MGB.

This year's fall gathering was held September 3 thru the 7th in Historic Williamsburg, Virginia. Tom and Jaimee Rippert and Roy and Sue Dougherty represented the DVC. Early Thursday morning our cars are waiting, top down and loaded, ready for that 300 plus mile trek to Historic Williamsburg, Va. As we walk out of the house it begins to sprinkle, the girls make an executive decision "put those tops up now"! In the distance they see nothing but black, and I mean black storm clouds. We protest but comply anyway; however, we do get to go without the side curtains. We guy's are sure that it will be over in a couple of minutes. As we drive the 5-mile stretch to pick up interstate 95 the sprinkle turns to shower and the shower turns to storm. What weather, but we press on confident the rain will let up in a few minutes. Wrong, the rain stay's with us for the full eight-hour trip to Williamsburg. It's pattern does change during the trip it fluctuates back and forth between torrential and really heavy! I lead the way and for much of the trip I can't see the yellow lines in the road and can only make out the faint glow of red taillights in what seems like the too distant future. We made three stops along the way, first at the Delaware house on I 95, that one was necessary to clean the pile out of our drawers after going through both New Castle and Wilmington DE, on that 6 lane stretch of highway and needing to get from lane one to lane 6 in some of the worst rainfall of the trip. Second stop on RT 896 and Rt.301 for gas, that's where Tom get's the gas pump lady so confused over making change that she gives him too much. RT. 207 near Ft A. P. Hill army base in Port Royal, VA. Was our third stop for some afternoon refreshments and to add another coat of rainex to the windscreens. We push off again ready for the final leg of our trip which means back on I 95 towards Richmond (at rush hour), Interstate 295 around Richmond (the Cigarette Capital) to Rt. 64 and directly to our hotel the Ft. Magruder Radisson which is just a short walk from the colonial village. Me, I am concerned about our suitcase strapped to the luggage rack, the whole trip I have been telling Sue not to worry it's waterproof yes, my nose was growing over that one. You guessed it as we crossed the Williamsburg city limits the sun came out, 91 degrees and that little bit of sunshine only lasted till we pulled into the hotel parking lot, we parked at the front door walked inside to register and bam, the sky opened up again. Guess we brought the rain down from the North. It did end later that night but the Ripperts and us had enough! Dinner reservations had been made weeks prior at Campbell's tavern in the old city, so in the true spirit of adventure we hailed a cab for the 10 minute drive to the tavern. During dinner we met Bob and Margie Zwart, a charming couple in their late 70's who were also there for the Gathering. Bob and Margie had brought their pristine 1929 MG "M type" roadster all the way from Irvine Ca. Bob's the third owner of this car and it is the first MG that was sold in the US. Its history is well documented and the car drives as well as it looks. Yes, Bob did trailer the car to Va., and while we dined the rain stopped and after dinner we walked back to the hotel.

The rest of the weekend was spent renewing old acquaintances and making new ones. We met up with former DVC'ers Dan and Pat Amey, Patty's multicolored blue right hand drive TD complete with Nittany Lion paw prints on both doors took a third in the TD class (and we'll never tell whether Tom and I stuffed the ballot box or not), John and Sharon Downing in their fresh, professionally restored MG TF which took a first place at Saturdays car show, Herb Walling a former member now living in High Point, NC was there also. Even Tom Rippert came home with a piece of pewter in TD class. There were about sixty cars present and everyone enjoyed themselves.

The weather cooperated for the ride home as we got to see all of that beautiful Virginia countryside that we missed on our way there. The trip home was uneventful, the cars performed well which in TD talk is excellent, the temperature was in the low 80's and a great time was had. Everyone remember that GOF MK 76 is planned for July 7 - 11, 2004 in Strasburg, Pennsylvania. Our backyard!

20th Anniversary QVR
September 18 - 21, 2003

Do you ever just have one of "those days"? Last Monday was "one of those days" for us. We were beside ourselves wondering what to do about our 20th QVR. There was a Category 5 hurricane heading right for us. It was predicted to be a "deadly" hurricane if you were not prepared. So, is having 75 DVC'ers drive to the coast in an MG really being prepared??? We thought not! Well, by Tuesday it was reduced to a Category 2, and was to touch land in South Carolina. It was decided - the QVR was on! Thank goodness, it was one of the most beautiful weekends we've ever had (well, except for Thursday - and we all just huddled in the garage and watched the storm from there).

The partying began on Friday night with 75 DVC'ers in attendance. Our DJ, Marc Berman, had everyone up dancing, and as "Poncho" and "Cisco" emerged from the second floor throwing sombrero's to everyone, the Margarita party began, complete with "Mexican Bartenders" dispersing Margaritas, Mexican beer and Tequila Jello shots. Everyone had a ball - don't know just how we'll top that one next year!

Saturday morning after breakfast, Wolfgang passed out directions for a very relaxing, on your own, drive through Cape May County. Then on to Valve Cover Racing on our "Union Jack" racetrack, freshly painted by Cyndi Nolan. The following excerpt is by Cyndi Nolan: *"Competition was fierce at the Valve Cover races this year. Although 14 contenders were vying for first place, focus was on reigning champion Barre Williams, with his 'Champagne Lady' and Carl Finne, with his 'Viking.' It was a close race and, at one point, the crowd went wild when the line judges were forced to use a digital camera to determine a photo finish. However, when the last race was run, it was 'Diva' Maryanne McGarrity who captured the top prize! Her 'Eliminator' with its coil spring suspension left Carl in second place and Barre in third. The Junior competition was captured by up-and-coming 'Diva' Victoria Tiley. Victoria guided her valve cover to victory while Kevin Stone and Chris Pollock put up a valiant effort earning 2nd and 3rd place respectively. Anyone wishing to participate can obtain race rules and valve cover specifications from Ben Nolan."*

This year we finally got smart (well a little) and had our group photo taken Saturday afternoon, instead of Sunday morning. Dick Suffredini came up with a T-shirt design for our 20th anniversary and Mike Maloney silkscreened the shirts for all QVR registrants. We all wore them for the group picture (and as we stated in the schedule, we'll be sure you all get a copy of the photo).

Afterwards we headed into the garden for our Funkana, organized by Margaret and Rich, and Gudie and Wolfgang. We did the "twist" to Chubby Checker, while keeping an orange between our foreheads, we were covered by watermelon juice, while trying to catch seeds in a cup being spit out by our partner, we did a lug nut skeeball game, we changed a tire while joined at the hip, did a blindfold obstacle course and dipped a carrot into a jar (you had to be there - it's too hard to explain)! and pushed an object along the floor with a potato stuffed in panty hose, (another one - you just had to be there)! The games were clever and so much fun. First prize went to the team of Wade Albright and Jason Wigluz. Second prize went to Ben and Cyndi Nolan, and third prize went to Lew Phillips and his daughter Chris. Thank you Harrons and Fischers for the great funkana.

After all the "fun and games" our Pig Roast arrived. I know everyone looks forward to this every year. The food is absolutely delicious, and we all like to watch the pig being shredded and prepared for our consumption. After dinner, down to the corner to watch the "hot rodders" cruise the streets of Wildwood.

After breakfast on Sunday morning, it's fond farewells for all until next year's QVR. We'd like to especially thank Nolans, Harrons and Fischers for organizing this year's QVR events, their helpers, and everyone's help throughout the entire weekend. Your help makes it an enjoyable event for all who attend. Also, a big "thank you" to Gudie and Wolfgang Fischer for having us at their beautiful motel, the Esplanade, for the weekend!

Look for your flyer in next year's July issue of T-Talk and get your reservations in early. Thank you all for attending our 20th anniversary QVR and see you next year!

Jaimee and Sandy

LETTER FROM THE CHAIR
OCTOBER 2003

I hope every DVC member had a great summer. I know the spring started a little wet and some of our events were rained out, but over all it has turned out to be a good year. This fall is looking great with a wonderful kickoff weekend at the Jersey shore for the QVR. We have five major things remaining this year, the rescheduled Hornsby Rallye (Saturday Oct. 4), a Badda Bing Badda Bob Tour (Saturday Oct. 25), Guy Fawkes Night (Saturday Nov. 1), The Annual Membership Meeting (Sunday Nov. 16), and the Holiday party (Saturday Dec.6). These functions all sound great but it takes someone to plan these things. I would like to take this opportunity to encourage everyone to step forward and volunteer to host an event. Lets make 2004 the year we have more that enough people to host events. I am sure everyone can come u with something they have always wanted to do or see, maybe something you have done before but would like to do again. Let's do it together with the DVC! If someone would just take the lead there are always plenty of people who will help in some way, do not be afraid to ask for help with an event. You are not alone!

Here is a list of some of the things we have done in the past as a club. Perhaps this will spark a thought in your mind for a new activity or place we have not tried before. Remember we can always repeat an activity.

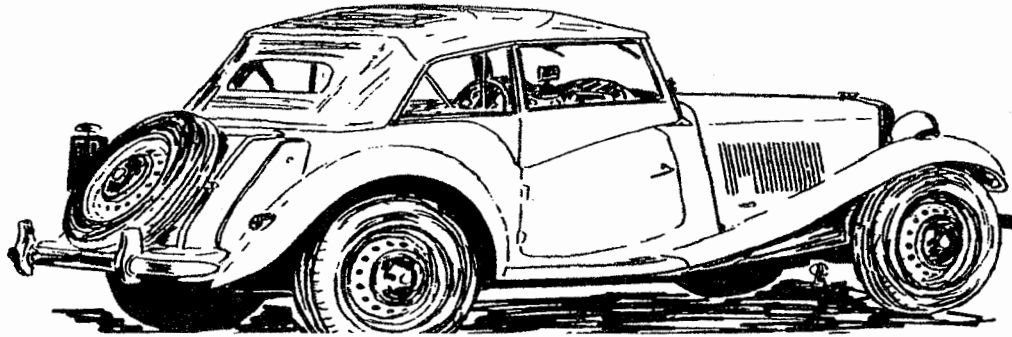

A Day Driving Tour
Harpers Ferry, West Virginia
St. Michaels on the Chesapeake
Wine Tasting

Watkins Glen, New York
Over-Night Tour
Civil War Battle Field

We also can us events in the colder indoor months, so lets get creative this year and help fill the calendar with some new, some old, and just plain creative way of enjoying the comradery that is generated by our small British cars. This club is very successful because people care and they like to have fun as a group. Not everyone likes every event. But that time of year is fast approaching when the calendar of events for 2004 will be established, get involved and host an event for the enjoyment of everyone. I you are a member of the DVC I know you are not shy. You might say you do not have the time to plan an event, but some activities take minimal planning. Maybe a few phone calls to set up a place for a day visit. Make this the year you bring your event idea to reality and enjoy the feeling of giving something to your fellow DVC members.

Respectfully,
Ben Nolan

Badda Bing Badda Bob Tour 2003

Date & Time: Oct. 25th, 2003 Sat. 10:00 AM

Where:

Bucks County Conference & Visitors Bureau

3207 Street Road

Bensalem, Pa 19020

(800) 836-28257

Come join us for a beautiful drive thru Historic Bucks County Pennsylvania and Eastern New Jersey. Please have your tanks topped off before the start of the tour. The details of the tour are not firmed up but MAY include a tour of the Crayola factory in Easton Pa and possibly a stop for some wine tasting along the way. I will need a count of who is coming a week prior to the event for any reservations I may need to make. The fall foliage should be at its peak and it may be the last chance to take your Little British Car out for a drive.

**Reply by Oct.18th to: Bob & Terri Tiley
215-355-1992**

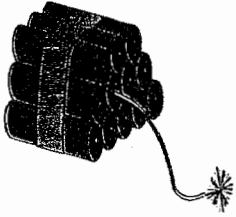

DIRECTIONS TO THE STARTING POINT!!!!

From PA Turnpike: Take the Philadelphia exit #351 (old #28). After exiting the tolls take the Rt. 1 south exit stay to your right and immediately look to your right for the street road west exit. Be careful this on only 50 to 100 feet after the ramp on to Rt. 1 south. Follow Street Road West to Philadelphia Park racetrack. Turn left into the driveway to the racetrack. Make the first possible left turn into the parking lot to the **Bucks County Conference and Visitors Bureau**; it was unmarked when we visited in Aug.

From I-95: Take the Street Road exit. If you were driving north make a left on to Street Road East. If driving south Turn Right on to Street Road East. Follow Street Road East to Philadelphia Park racetrack. Turn right into the driveway to the racetrack. Make the first possible left turn into the parking lot to the **Bucks County Conference and Visitors Bureau**; it was unmarked when we visited in Aug.

SEE YOU THERE!!!

Remember, Remember The 5th of November!!

Don't miss the 2003 *Guy Fawkes Day* Celebration with the *DVC!*

Come out and enjoy the festivities with your favorite MG. For our convenience we will celebrate the 5th on Saturday, the 1st of November.

Planned activities will include an opportunity demonstrate your navigational abilities in your MG of choice, toasting whatever needs to be toasted over the traditional bonfire, eating and drinking traditional British pub grub, the live music of Dar Frantz, and of course the burning of *GUY!* The "History of Guy Fawkes Day" oratory will be delivered by guest speakers who will relate their own personal experiences in the UK.

Fireworks will not be possible this year due to new construction in the neighborhood. However, I would not recommend standing too close to the fire when Guy meets his fate!

When: Saturday November 1st 3:00 PM

Where: Chuck & Judy Goelz's
126 East Woods Drive
Harleysville, PA

RSVP: 215-256-9578

What to Bring: Lawn Chairs (?), Covered Dish (British Fare encouraged!), MG, Spouse, Sense of Humor...

Directions: Call. (If you've ever been to the Melick house, you don't need directions.)

DVC

Annual Members Meeting

Place: Betsy Pollock/Steve Novelli
321 Southern Avenue
Ambler, PA 19002

Date: Sunday, November 16, 2003
Time: 2:00 PM

There has been a change of hosts for the Annual Members Meeting, it will now be at Betsy and Steve's.

The main purpose of this meeting is to discuss our annual club business. Though other topics are discussed, the main purpose is to create the next year's events calendar.

I would like to thank all of the generous hosts of our 2003 events. Without your volunteering to host or help with the event, this club would be non-existent. And I also call on others in the DVC to come to the Annual Members Meeting with new ideas for events, or come and volunteer your services to host or help run an event. Again, without you, there is no DVC.

Thank you for a fun 2003 and here's to a fun 2004!

Directions:

From the PA turnpike or Route 309, take the Fort Washington Exit, this will dump you onto Pennsylvania Avenue.

Take Pennsylvania Avenue to a dead-end and make a right onto Bethlehem Pike.

Go to the first traffic light and make a left onto Highland Avenue.

Go to the first stop sign and make a left onto Church Street.

Southern Avenue is the first right. 321 Southern Avenue is the 3rd house on the right.

Please call Betsy or Steve if you need other directions!!

H - 215-654-0133

C - 610-724-6134

C - 610-724-3415

If you have any questions, or would like to suggest a future event, please contact Mike Maloney at 267-934-8113.

DVC

Annual Members Meeting

Place: Havis-Shields
Date: Sunday, November 16, 2003
Time: 2:00 PM

Once again this year Joe has invited us to come to Havis-Shields in Warminster, PA to discuss our annual club business. Though other topics are discussed, the main purpose of the meeting is to create the next years events calendar.

I would like to thank all of the generous hosts of our 2003 events. Without your volunteering to host or help with the event, this club would be non-existent. And I also call on others in the DVC to come to the Annual Members Meeting with new ideas for events, or come and volunteer your services to host or help run an event. Again, without you, there is no DVC.

Thank you for a fun 2003 and here's to a fun 2004!

Directions:

Havis-Shields is located at 75 Jacksonville Rd. in Warminster, PA.
From the PA turnpike, take Rt. 611 North to the second light -Blair Mill Rd.
Take a Right onto Blair Mill Rd. and take to the end. This is County Line Rd.
Take a right onto County Line Rd and continue until you reach Jacksonville Rd.
(Jacksonville Rd. will be the next light after passing the rail road tracks.)
Take a left onto Jacksonville and Havis-Shields is on the right hand side.

If you have any questions, or would like to suggest a future event, please contact Mike Maloney at 267-934-8113.

**YOUR NAME
HERE**

DVC NAMETAGS

1" x 3" black plastic nametags have the DVC logo in and your name in big white letters. They are very useful at events because, if you're like most of us, you can't remember your OWN name half the time... let alone anyone else's!! And best of all, they're CHEAP!! To get yours in the next 2 - 3 weeks, send \$5 and your name as it should appear on the nametag to:

Liner, 1125 Ellen Ct.- Box 510, Creamery, PA 19430-0510

**2003 Annual MG Holiday Banquet
Holiday Inn at Fort Washington, PA
Saturday December 6, 2003
5:30pm to 9:30pm**

This is a reminder that the information for this year's holiday banquet is right around the corner. Less than 3 months away is a night of food, fun, raffles, and many prize winners along with a name brand bar (cash that is).

The night will begin with mingling and drinking, then dinner with a choice of Chicken Supreme, Fresh Salmon, or London Broil along with vegetables, rice, potato or pasta (a vegetarian dinner will also be an option if requested in advance). Desert will be the chef's surprise. And ending with some more drinking and mingling.

Please keep your eyes open for the response envelope along with the lucky raffle tickets.

Hotel Accommodations will also be available for a special room rate for the DVC at \$69.00 for overnight stay for those that stay at the bar to long.

The Holiday Inn is located conveniently off the Pennsylvania Turnpike in Fort Washington, Pennsylvania. Directions will be provided.

Any questions please contact Luis or Marie Alicea at 215-338-2266.

Thanks and looking forward to seeing you at this year's Holiday Banquet.
